Cruise to Trafalgar Holden Museum
Sunday 20th September 9.00am

It's time to go back to what is undoubtedly the best Holden museum in Australia. Trafalgar Holden museum has been expanded since we last visited. The museum covers all aspects of Holden's history from the beginning as a saddlery in Adelaide to building bodies for motor cars for General Motors, household appliances, boats and trams for Melbourne to the manufacture of Australia's own car.

Our meet up and start point is BP Officer at 9.00am for a 9.30am departure, for coffee and a quick chat before we cruise over some of Gippsland's great driving roads to the museum. After our visit come and enjoy lunch and a few drinks at the local pub.

Entry to the museum will be paid for by the club for all members, family and friends on the day.

RSVP with your numbers attending is essential so we can book a table at the pub.
